### THE BENNINGTON STATE BANK EXPANDS SURCHARGE-FREE ATM AVAILABILITY FOR CUSTOMERS VIA ALLPOINT ATM NETWORK

**SALINA, KS, June 3, 2015** – The Bennington State Bank (BSB) announced today that it has joined [Allpoint Network](#), which means BSB customers now have access to America’s largest surcharge-free ATM network, with over 55,000 surcharge-free ATMs worldwide. Allpoint Network is an affiliate of [Cardtronics, Inc.](#) (NASDAQ: CATM), the world’s largest retail ATM owner.

In addition to BSB’s branch locations and ATMs, with Allpoint Network, BSB customers will never be far away from surcharge-free ATM access to their cash, especially in the United States where Allpoint offers 43,000 cash machines in places they’re already visiting as part of their daily routine. Conveniently located in destination retail outlets including major discount retailers, convenience, grocery and pharmacy stores, Allpoint Network ATMs save customers of BSB time as well as ATM fees.

“This is fantastic news for our customers. By becoming an Allpoint Network member financial institution, in an instant BSB grows its surcharge-free ATM footprint to more than double that of even America’s largest bank,” said Clark Renfro, Executive Vice President. “In an ever-increasing mobile society, our customers want a financial services provider that delivers the most convenient and secure account access, and that includes cash access.
